Members of the Liljedahl Group

As a 200.000 tons strong, global partner and leading supplier of wire rod, profiles, bare and enamelled wire, we offer geographical presence and a deep knowledge of the local markets. With the customer always in focus we are driven by the power of permanent improvements. The result is high quality products, reliability, attention to details and a profitable technical partnership.

But for now, let's just mingle and unwind at our stand.

WELCOME to our stand 3021, hall 2.2, to find out more about us, discover our offers, develop and strengthen your business relations – or just mingle with our representatives and your colleagues from every corner of the globe.
